

Relationships

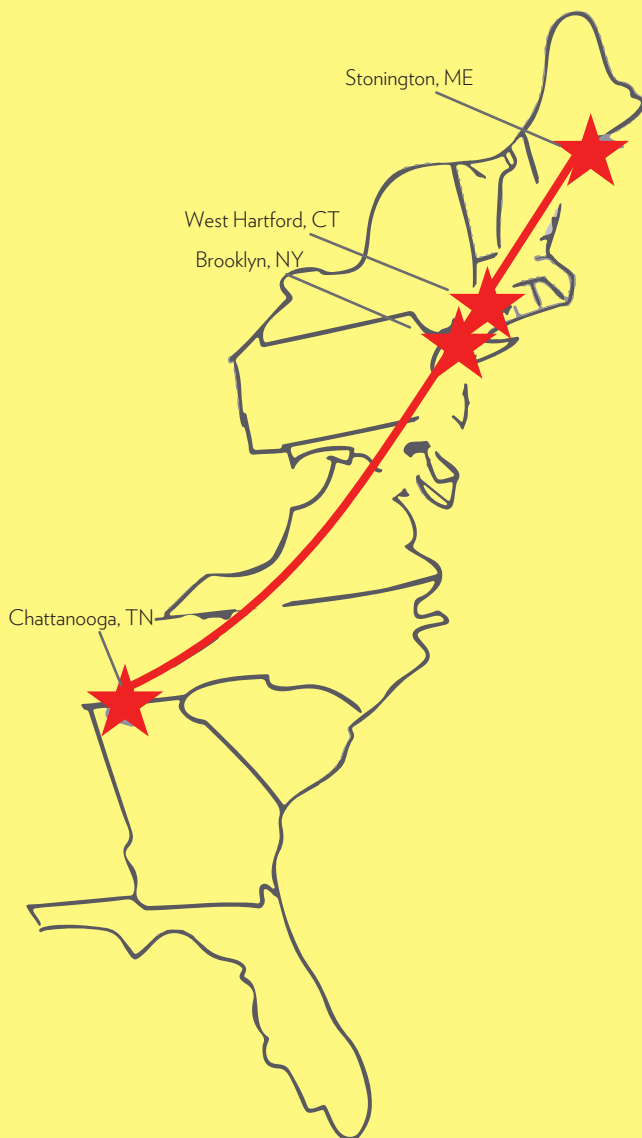

Bryony Stroud-Watson, violin

Carrie Dowell, violin & viola

David D. Dunn, clarinet & bass clarinet

Relationships are the foundation of community building. This program celebrates the qualities that make a successful relationship: team work, listening, dedication, and a supportive environment. There is a combined total of 25 years of friendship between the players and to celebrate we are coming together to play chamber music. This summer we hope to reconnect with friends we have not seen in years and seeking to grow our network by inviting you to provide a supportive environment.
